# Autumn newsletter 2025

As we move from the warm summer into the crisp autumn, we look back on a season filled with outdoor enjoyment and beautiful garden moments. Our residents loved dining and taking part in activities outside, soaking up the fresh air and sunshine.

They have been actively involved in tending to the garden, a gentle and rewarding activity that keeps everyone moving, engaged, and connected with nature. We even harvested some grapes together, which was a highlight of the season!

Indoors, there has been no shortage of fun either. From arts and crafts to games of Tetris on the iPad, fishing with washing-up bowls and floating fish, and even a few lively matches of tabletop ping pong, there has been plenty to keep minds and bodies active.

Activities like these aren't just fun, they are incredibly valuable as we age. Crafts encourage creativity and fine motor skills, while games help sharpen memory, coordination, and problem-solving, all while creating moments of joy, relaxation and laughter.

# Celebrating our staff

Every season we highlight staff who have gone above and beyond to help support residents and staff.

## Ravneet Kaur Career

Ravneet joined our team as a carer in 2023 and has been a wonderful addition to the home.

She consistently shows great initiative, helps guide new staff through our routines, and delivers truly person-centred care to our residents.

We are so grateful for her hard work and dedication!

## Forty Hall

We recently took our residents on a lovely trip to the historic Forty Hall Farm Estate in Enfield. They enjoyed feeding the birds, exploring the beautiful walled garden, and soaking up the peaceful surroundings. It was a relaxing and memorable day out for everyone.

Thank you to all our amazing staff
