# Autumn newsletter 2025

As we say goodbye to the sunshine of summer and welcome the crisp days of autumn, we reflect on a season filled with joy in our beautiful garden. Residents loved enjoying activities and meals outdoors, soaking up the fresh air and warm weather.

I would like to say a special thank you to Eleni from Asterakia, who visits us weekly to sing in Greek with our residents and share stories, bringing so much joy and connection. We are also grateful to Debbie, who delights residents with her storytelling, and to Nichole, whose thoughtful readings are always warmly received. These three wonderful ladies, pictured below, truly brighten our residents' days with their time and talents.

A highlight of the summer was the ice cream van visit! Residents and staff loved choosing their favourite cones and lollies. Residents also made a variety of hanging mobiles, each unique, each beautiful. In August, our travel-themed learning journey took everyone around the world. We started with passport photos, then

made our very own passports, and by the end of the month, we were off to Honolulu, complete with a sandy beach in the garden and a tropical cocktail bar. It was a memory to treasure, and a special thank you goes to our amazing staff for making it all possible.

# Summer fun!

Our annual summer BBQ was a fantastic celebration, made even more special with a visit from His Eminence Archbishop Nikitas of Thyateira and Great Britain as well as the Mayor of Enfield and coverage by Hellenic TV. The decorations

were amazing and brought the summer spirit indoors, as the weather meant we had to enjoy the festivities inside. Despite the rain, it was a joyful day filled with great food, music, and community spirit enjoyed by residents, families, and friends.

## Some photos from our Honolulu learning journey!

The photos below capture our unforgettable Honolulu experience! With a sandy beach, tropical cocktails, and plenty of sunshine vibes, residents and staff enjoyed a true island getaway right in our garden.

Join us on this journey of hope and progress!
